

GRAO EN QUÍMICA
CALIFICACIÓNS DAS MATERIAS
– CURSO 2015/2016 –

- Las calificaciones de las materias del Grado en Química incluidas en este informe fueron proporcionadas por la [Unidad de Estudios y Programas de la Universidad de Vigo](#).
- Estas calificaciones se han recogido en el *Apartado 4. Titulaciones oficiais* de la sección *UVigo en cifras* del [Portal de Transparencia de la Universidad de Vigo](#).
- Los porcentajes de las calificaciones han obtenido a partir del número de alumnos matriculados en cada materia.
- Fecha de la recogida de datos: 16/10/2016.

2.6. NOTA MEDIA DE LOS EGRESADOS EN QUÍMICA POR LA UNIVERSIDAD DE VIGO Y EN EL SISTEMA UNIVERSITARIO ESPAÑOL SEGÚN CÓDIGO ISCED.

Estos valores corresponden a las notas medias de los expedientes académicos de los graduados en Química por la Universidad de Vigo y los graduados en Química de todo el Sistema Universitario Español (SUE) que se emplean en las convocatorias de becas de Formación de Profesorado Universitario (FPU). Estas notas medias se calculan a partir de las notas medias de los egresados en los cuatro cursos anteriores al de la convocatoria de becas FPU. Estas notas medias se clasifican de acuerdo con el Código UNESCO de clasificación de títulos (International Standard Classification of Education -ISCED). El código ISCED para el Grado en Química es el 442. Estos datos los proporciona el Sistema Integrado de Información Universitaria ([SIIU](#)).
